Subject: ECDC Environmental 2008 Annual Solid Waste Report

Dear Mr. Downs,

Please find enclosed the ECDC Environmental Annual Solid Waste Report for the 2008 calendar year. The report includes the following attachments: 2008 Health, Safety and General Training Schedule and quarterly gas monitoring reports. Also included are quarterly NSPS surface emissions reports for 2008. The surface emissions reports indicate the gas collection and control system is working sufficiently such that no landfill gas is released to the atmosphere.

The second semi-annual 2008 groundwater monitoring report is also attached the first report was submitted in August.

The closure and post closure, CPC, cost estimates have been updated to reflect the 2008 closure event. A copy of the surety bond is included. ECDC plans to update the bond to reflect the current estimates once the Division has reviewed and approved the document.

If you have any questions please contact me at 435-888-4418 (22).

Sincerely,

Darin Olson
